

Here are the images for the acupuncture points that should be rubbed after some NAET treatments:

These points are to be rubbed at this order: LI-4 ®, LI-11 ®, LI-11(L), LI-4 (L), Sp-6(L), Liv-3(L), Liv-3 ®, Sp-6(R), Li-4 ®\* Each point should be rubbed for 30 seconds.

\*this point is rubbed at the beginning and an end of the cycle.
